With	Claudel Poirier (Victor Gazon)		
Description	Victor Gazon, a 4th grade student, chooses to do his final presentation on suicide. Because he doesn't like oral presentation, he is allowed to present a short video instead. In his film, Victor makes a list comparing things he likes and things he doesn't like to figure out if life is worth it or if it is better off committing suicide.		
Launch	Festival international du court métrage de Clermont-Ferrand 2008 - Film Market
